Course Learning Outcomes

When you have earned credit for this course, you will have demonstrated the ability to:

- CLO 1 Discuss key components of an Indigenous world view in Canada.
- CLO 2 Describe the historical context and its impact on contemporary Indigenous socio-economic and political issues.
- CLO 3 Analyze the use of innovative strategies for addressing current social issues on reserve and in urban Indigenous communities.
- CLO 4 Summarize key current issues and their implications for understanding Indigenous people in Canadian society.
- CLO 5 Identify relevant resources for exploring Indigenous issues.

Delivery Methods/Learning Activities

A variety of delivery/teaching methods are employed, including lecture, large and small group discussion, videos, music, and/or guest speakers. The course will include appropriate cultural practices with emphasis on positive cultural identity. There is an emphasis on group discussion of course content consistent with learning circles. Students are encouraged to employ material prepared by and for First Nations and to explore various Aboriginal community resources as an impetus to understanding the historical social, legal and political impacts on Aboriginal people in Canada.

Learning Resources

Please see CSI (course section information document) for specific readings for your section.

ACKNOWLEDGEMENT OF THE TRADITIONAL LAND

We would like to acknowledge that George Brown College is located on the traditional territory of the Mississaugas of the Credit First Nation and the land of other Indigenous Peoples who have lived here over time.

PROGRAM LEARNING OUTCOMES

College programs are designed to deliver program learning outcomes that relate to the unique content of a particular area of study. To review the specific program learning outcomes for your program, please go to your program page on the George Brown College website at <https://www.georgebrown.ca/>

IMPORTANT PROGRAM INFORMATION

Students are advised to consult program coordinators regarding specific requirements for successfully completing their program, including adding/dropping courses and other issues that might disrupt their course of study.

RETENTION OF COURSE OUTLINES

Students are expected to retain their course outlines to support learning in the course and for future use in applications for transfer of credit to other educational institutions.

COLLEGE POLICIES

It is essential that students review all college policies, including Academic Policies available at <https://www.georgebrown.ca/policies>.

DIGITAL LEARNING REQUIREMENTS

Students are required to have access to a computer and to the internet. There may also be additional technology-related requirements to participate in a course that are not included in the course materials fee, such as headphones, webcams, specialized software, etc. Details on these requirements can be found in the course outline for each course.

The Library Learning Commons (LLC) has a limited number of devices including laptops and portable WIFI devices to support students; however, the LLC cannot guarantee access to a device for all students.

ACCESSIBLE LEARNING SERVICES FOR STUDENTS

Accessible Learning Services facilitates academic support and services for George Brown College students with physical, sensory, learning, medical or mental health disabilities. Delivered in collaboration with academic departments and other service areas, these services are available to students in all programs at all campuses.

George Brown College is committed to upholding a student's right to individualized and timely accommodation that promotes dignity, independence, autonomy, equity, and inclusion for the student. In addition to our current supports,

we are working to eliminate barriers by increasing access to alternate formats, planning accessible buildings and classrooms, enhancing employee training, and adopting inclusive practices in placement and on campus.

Only those involved in a student's accommodation plan shall be alerted to their registration with Accessible Learning Services, and a student's registration with Accessible Learning Services will not be identified on the student's official college transcript and/or graduation documentation. For more information, please visit the Accessible Learning Services website at <http://www.georgebrown.ca/accessible-learning-services/> or call 416-415-5000 ext. 2622 or email letstalk@georgebrown.ca

TEXT-MATCHING DETECTION SOFTWARE

Text-matching detection software assists faculty and students in preventing and detecting plagiarism. Faculty may use such software to check the originality of the academic work students submit in a course by comparing submitted assignments to those contained in publicly accessible internet sites, and academic journals, as well as databases of submitted papers and other sources. Faculty may not submit any student work that contains personally identifiable information through a text matching/anti-plagiarism tool or require students to do so.

Automated text matching software will be made available to all academic staff and students to promote academic integrity and appropriate documentation of sources. Professors may choose to use the college-approved automated text matching detection software in their courses. Students are permitted to submit draft assignments prior to the due date, and to receive the screening report that is also available to professors.

Student Evaluation System

Below is a list of evaluation methods included in this course along with the course learning outcomes (CLO) and essential employability skills (EES) assessed by each. In some cases, program learning outcomes (PLO) assessed may also be indicated.

Evaluation System (100%)

Evaluations may include a variety of written assignments, quizzes, tests, discussions, research project or paper.

Validates Outcomes: CLO 1, CLO 2, CLO 3, CLO 4, CLO 5, EES 1, EES 2, EES 5, EES 6, EES 7, EES 8, EES 9, EES 10

Prior Learning Assessment and Recognition

Prior learning assessment and recognition (PLAR) is a process that gives students the opportunity to obtain academic credit for one or more courses in a certificate, diploma or degree based on demonstrated prior learning acquired through life experiences before enrollment in a program. More information regarding PLAR can be found on the GBC website at: <http://www.georgebrown.ca/plar/>

- This course is PLAR eligible, please see Program Coordinator/Chair for more information.

Grading System

The passing grade for this course is 50% / "D"

Final Grade	Percentage	Weight
A+	90-100	4.0
A	86-89	4.0
A-	80-85	3.7
B+	77-79	3.3
B	73-76	3.0
B-	70-72	2.7
C+	67-69	2.3
C	63-66	2.0
C-	60-62	1.7
D+	57-59	1.3
D	50-56	1.0

Refer to the Evaluation System on this outline for information on how marks are distributed. More detailed information on assessments may also be found in your Course Section document.

As per Office of the Registrar Policies:

“A” Range = GPA 4.0-Consistently exceeds (course) requirements; shows evidence of being well-organized; shows original and creative thinking and a superior grasp of subject matter.

“B” Range = GPA 3.0-Shows consistent performance and evidence of being well-organized, shows elements of original and creative thinking; has a strong grasp of subject matter

"C" Range = GPA 2.0-Applies the subject matter appropriately; comprehends the subject matter."

"D" Range = GPA 1.0-The student inconsistently applies and communicates knowledge of the subject matter

"F" Range = GPA 0.0-The student fails to apply and communicate an understanding of the subject matter.

Additional information regarding grading for this course may also be found in the "Course Related Information" section of this course outline.
